Daily Crossing

So that's what happened.
So that dude's name is Jeong Chi!
And on top of that, she was a detective in the Key Crisis, Jung Yeon Force!
Yeonhee

Anyhow, detective Moo Jeo is in the line of duty...
Detective Jung Hyun Ki!
Detective Jung Hyun Ki, he was looking for his wife, Jung Ha Cha.

What is this, why do I get invited to attend?
First, most important thing is to send the spirit from Sohee.
To do that, we need to find out why they did.
Huh?
Why? He can just send the spirit from Sohee.

Sohee, their sole line is that they are the only spirits who don't hate humans.
This means that Sohee watched the spirits until they agreed them evil.
Most of the spirits that were detained by Sohee are concerned about the reasons why they killed.
So we need to start by investigating their deaths.

Detective Jung Hyun Ki, he suspects Jeong Chi Cha, both of them are in the Key Crisis.
So there could be some sort connection between the murders of these two.
However, the first thing we have to do is to find out where is Jeong Chi Cha.

Jin Tae-Park, the Superhero?

I think.

It would be better to investigate Superhero Park's background before meeting Kang Dae-Sung Nim.

Investigate him first? Did you find something in particular?

It is something I'd like to call something...

In this situation, there is one thing that we don't need to be considering!

Hmm, should we know that?

Hell, stop stalling and get it out.

...after Detective Lee left, I looked into the family histories of the people involved in the case.

Superhero Park, we'll push the same investigation as Kim Cheol Soo!

Of course. Since the Kim Cheol Soo incident also occurred in Jongno-gu.

Going from the same neighborhood could be nothing but coincidence, isn't it?

But isn't being from the same neighborhood just a coincidence?

In February of 1993.

Kim Cheol Soo transferred his address.

Where's an address transfer?

Changing your address...

Basically, it's moving.

Ah, whatever. There's nothing important either.

Does the kid look like he's transforming things?

You should let a person finish.

In Korean, it's difficult to follow!

Wait, too old hat!

I don't know why you're angry when you realized he first!

Well, well. Don't fight. Do! Let's hear on.

Mr. Detective Kang, what's your opinion? Is it worth moving ahead now to go with Mr. Choi?

What is that? Is it something you told?

What is it? Tell you what?

There is no reason to hide it, but there is something that matters with the incident.

Damn it.....

GENERAL CHAPTER 39

Superhero Park

According to the records he personally investigated Kim Cheol Soo.

Due to that action he was promoted to Chief Investigator in inspection, and after that he suddenly rose in the ranks to Superior.

Within the department it's known to be a case that can't be solved.

Oh Tae Park? He wasn't around at all.

Don't know.....

Hmm, should we know that?

There is one thing I'm curious about in the records and it's worth a look.

But don't go beyond anyone that. There is no reason to get involved with those around him anymore.

Superhero Park, we'll push the same investigation as Kim Cheol Soo!

Hyung - Older brother, used by close male friends and family.

Nim - Honorific, similar to the Japanese 'san'.

Hyungsdo-nim - Polite way to call your hyung's wife.

Ahjusshi - Old man, literally.
Also a way for addressing an older man that you are familiar with.

Swallow That Repaid The Farmer - Referring to a Korean folktale about a swallow that was healed by a kind, poor farmer and later returned with a gourd seed. The farmer planted the seed, and the gourd that grew from it was filled with gold.
